Gratitude invites more of the Good Stuff

Think about NOT being employed:

Think about the timesaving equipment you have; a car, a mobile phone, a computer...

Think about the people your work with, the friendship, the laughs..

Think about others who make your job easier; clerks, assistants, cleaners, security..

Think about your paycheque and what it pays for...

Think about the things you love about your job.

Say "I am Grateful For....."

THE LONGER YOUR GRATITUDE LIST, THE MORE FULFILMENT, SUCCESS, MONEY, THE UNIVERSE ENDOWS TO YOU.
